Appraisal 012717.pdf

All,

Many thanks for the trip to Des Moines and the discussion. I am following up and attaching the electronic copy of the appraisal prepared for the City.

I did reach out to the owner and plan to again next week. More to come on this front.

Were there additional materials that we committed to send to you or that we will be receiving? Sorry for not tracking fully!

We will grab something on the way. Might be a little late.  
Any suggestions on parking?
